

Section 401 Water Quality Certification Public Notices

The Central Coast Water Board is currently reviewing applications for the following project for certification under Section 401 of the Clean Water Act. We encourage public comments on the proposed work, which will be considered in the decision. You may submit comments in writing on any of these projects to:

Central Coast Regional Water Quality Control Board
895 Aerovista Place, Suite 101
San Luis Obispo, CA 93401
Attention: 401 Coordinator

Project Applicant	San Luis Obispo County Department of Public Works
Applicant's Agent	Glenn Priddy, Deputy Director
Project Name	Picachio Road Bridge Replacement Project
Receiving Water	Cayucos Creek
City/County	Cayucos/ San Luis Obispo
Public Notice	9/28/06 to 10/17/06
Project Description	<p>The purpose of this project is to replace the existing two-span, timber Picachio Road Bridge over Cayucos Creek with a single span, cast-in-place, voided slab bridge.</p> <p>The project activities include: removing and replacing the existing bridge, constructing a temporary earthen 23-foot wide gravel-surfaced traffic detour, creek bank stabilization, and creek bank restoration. The existing supporting structures within the creek would be removed, and the foundations for the new bridge would be placed at the top of the creek banks. The new bridge would be slightly longer than the existing bridge and the bridge footprint would be increased from approximately 756 square feet to approximately 1,705 square feet.</p> <p>Mitigations will include: the riparian enhancement of 0.18 acres.</p> <p>A Mitigated Negative Declaration has been approved for this project.</p>
